Sir,

Reference. Government Memorandum No. 3113 B.E., 1.P.H. dated 24. 2. (1938) 1937.

.....

I invite a reference to the above memorandum of Government and send herewith a statement of sanctioned well works that were in progress in 1937-38 and for which grants were not drawn in that year. Agreeably to the Government Memorandum quoted above the Board had proceeded with the works expecting sanction of grants for them in 1937- 38, but no grants were sanctioned to the Board for rural water supply in that year or thereafter. The District Board Engineer reports that the first three wells in the enclosed statement are already

M

completed and the rest are in progress. I request therefore that the Government may be pleased to sanction grants for these works at an very early date.

From (Name) M.V.Subrahmanyan Esq., I.A.S.,

To The Secretary to the Government of Madras,

Education and Public Health Department,

Madras.

Sir,

A/ Agreeably to Government memo No.3113 B-El P.H., dated 24-2-37, the well works referred to in the letter of the President, Dt.Board, South Kanara, were executed in 1937-38 in anticipation of grants being sanctioned by Government. The system of sanctioning allotments under the Rural Water Supply Scheme was altered by Government in November 1937 in their order No.3216 P.H. dated 24-11-37 according to which grants to the Dt. Boards were replaced by annual allotments placed at the disposal of Collectors. The President

B

of the Board could have been aware of this change of system at the time the well works were executed. As the well works were executed by the Dt. Board in anticipation of the half grant from Government, half of the expenditure incurred by the Dt. Board may be sanctioned as requested by the President, Dt.Board.

Half-grant - Sanctioned.

Order No. 5003 P.H. dated 24.10.1940

In the circumstances stated by the President, District Board, South Kanara, the Govt. are pleased to sanction, as a special case, an half grant of Rs. 1,522/5/- (Rupees one thousand five hundred and twenty two and annas five only) incurred by the South Kanara Dt. Bd. on the construction of bore-wells.

2. The exp. will be met from the provision under "39 P.H. - Expenditure from the fund for development of R.W.S."

Note:

Note:

The P.D.B. Kanara incurred an expenditure of Rs. 3,572 on the well works in 1937-38, in anticipation of Govt. sanction vide Memo. No. 3113 B-1&1 P.H. dt. 24/7/37 (A) & Go No. 3216 P.H dt. 24-11/37 (B) subsequently altered the procedure of grants - Collectors being entrusted with the whole scheme of R.W.S. & Govt. as the P.D.B. had done excellent all these well works even before the issue of the Go. 3216 P.H. dt. 24/11/37 (B), the Collector to whom the matter was referred now recommends a half grant. The half grant may perhaps be sanctioned with the concurrence of Fin. Dept.

Please see the letter of the P.D.B. South Kanara on pp. 1-3 c.f., the remarks of the Collector of S. Kanara on pp. 6-7 c.f. and E-H.P.H. note on p. 2 ante.

vide draft order below.

2. The proposal of E-H.P.H. is to sanction a half grant* for the well works mentioned on p. 3 c.f. ~~decide~~ to the extent of half the expr.* Rs. 1,522-5-0. & incurred by the Dt. Bd. up to 31-3-1938. As pointed out by the Collector, the Govt. discontinued in the year 1937-38 the system of sanctioning grants to Dt. Boards for rural water-supply and the order on the subject was communicated to all Residents of Dt. Boards. It is not clear why the Govt. should entertain the claim of the South Kanara Dt. Bd. for half grant towards the expenditure incurred in 1937-38, which is much belated.

Vide Collr's letter on p.3 c.f.

pp. 6-7 c.f.

3. The reason adduced for the sanction of the half-grant is that the well-works in question were executed by the Dt. Board in anticipation of half grant from Govt. & in pursuance of Memo: No. 3113 B-1 E, P.H. & 24-2-1937, In that Memo: the P.D.B. was informed

'M' on p.1 c.f. & 'A' on p.6 c.f.

p.2 of (Q)

that works in progress on the 31st March of each year might be continued during the succeeding financial year and that the grant for such works might be adjusted from the first instalment of the grant for that year. In view of the fact that in the subsequent order (B) issued in Nov. 1937 Dt. Boards were informed that the entire expenditure on well works para-4 on pp 1-2 (L) should be met from their own funds, Finance may advise that the request for half-grant may be refused.
